MEMORANDUM FOR: Special Assistant to the DCI  
for Compartmentation

FROM:

Executive Secretary

25X1A

SUBJECT: Cover Sheets  
a) Revision Para 86 Gov't Manual  
b) Supplement Number 2 Cover Sheets

Proposed rewrite:

86. To preclude inadvertent disclosure APEX material will be covered.

A. TOP SECRET APEX hard copy material will be covered with unique cover sheets. There are cover sheets for TOP SECRET APEX publications which incorporate on the reverse side a dissemination control log and a certification of destruction. There are cover sheets for TOP SECRET APEX documents (less formal issuance than publications) which incorporate on the front of the cover sheet a dissemination control log and a certificate of destruction.

B. There are separate cover sheets for TOP SECRET documents and publications.

Operational Compartments (Yellow)

Operational subcompartments (Brown)

Product compartments (Salmon)

Royal compartment (Blue)

C. SECRET and CONFIDENTIAL level APEX material in the operational and product compartments (HUMINT, IMAGERY, COMINT and TECHNICAL) will be covered with a Gray cover sheet.

D. Cover sheets need not be used on electrical transmissions or on hard copy material that does not leave an APEX facility.

E. Samples of the cover sheets are at Figure II. Cover sheets are available through the APEX Steering Group but local reproduction is authorized and encouraged.

The supplement is attached.
